Commissioner for Patents

Dear Sir:

In response to the Office Action dated August 3, 2004, please consider the following remarks.

**REMARKS**

In the Office Action, the Examiner rejected claims 32-48 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-7 of U.S. Patent No. 6,233,608. To obviate the obviousness-type double patenting rejection, submitted together herewith is a Terminal Disclaimer with reference to U.S. Patent No. 6,233,608. Accordingly, it is respectfully requested that the Examiner withdraw the rejection of claims 32-48 under the judicially created doctrine of obviousness-type double patenting. However, since the rejection is rendered moot by the submission of the Terminal Disclaimer, it should be noted that the Applicants do not admit, acquiesce, or otherwise agree with the Examiner's rejection.
